BANGALORE [redacted] MUNICIPALITY

Proceedings of the Meeting of the Council dated 4-2-1943

10 Letter No L 2402/ML 10-41-179 dated 29-8-1942 from the Law Secretary calling for the opinion of the Council in the matter of appointing Mr B Hanumantha Rao as a Sanitary Inspector and posting another Sanitary Inspector in his place as Disinfection Inspector

Mr V H Hanumanthappa wanted that the considerationof the subject should be deferred, as he was informed that Mr Hanumantha Rao had been appointed as Food Inspector

The Health Officer explained that if Mr Hanumantha Rao was promoted to the cadre of a Sanitary Inspector just then, another Sanitary Inspector would be sent in his place Answering a querry put by Hanumanthappa, he said it would certainly be better if a qualified Inspector was posted as Disinfection Inspector

Mr C N Narasinga Rao said that Mr Hanumantha Rao be appointed as Sanitary Inspector before he was sent out from the Municipality as it would facilitate to take a Sanitary Inspector in his place

Mr Ramlal Thiwari Seconded it

Mr H R Guruv Reddy opposed it as Mr Hanumantha Rao had not got the required qualification

Mr V H Hanumanthappa supporting the proposition said that though Mr Hanumantha Rao had not got the required qualification, yet he acquired sound knowledge of the work by his long service and that he may be sent out as Sanitary Inspector

Mr H R Guruv Reddy explaining his view point said that Mr Hanumantha Rao should either have passed the required training or he should have been exempted from passing such tests, to be designed as Sanitary Inspector

Then the following resolution was passed by the House unanimously -

"This Council has no objection to make him a Sanitary Inspector to facilitate the transfer and posting another Sanitary Inspector in this Municipality "

Sir,

With reference to your order No H E S 789 dated 23rd March 1943 communicated to me under Memo No.B E 5459 of the 26th idem by the Superintendent, Bureau of Epidemology, on the subject of fixing my pay, I most respectfully beg to represent that I was assigned duties as a regular sanitary Inspector in the premier Municipality of Bangalore City as long back the year 1929 I have thus so far rendered an approved service as Sanitary Inspector aggregating to over 13 years while my colleagues were drawing their increments in due course reaching up to the maximum pay of the appointment of which they were recipients for a prolonged interval of years before actual retirement, I have just to commence reckoning my future service for increments - with barely two years left to attain superannuation I would, in this connection, beg to bring to your kind notice that the assignment of duties to me as Sanitary Inspector in the Bangalore City was not the result of my own seeking and I most earnestly pray that my approved and efficient service in this capacity extending to over 13 years may not be allowed to be overlooked, as if it had never been rendered at all

In an interview kindly granted to me in May 1942 by the then Municipal Commissioner, I was informed that my long service as Sanitary Inspector would receive due consideration and that I may entertain the hope of getting a substantial increase to my pay, commensurate with the services I had already rendered and also justly due to a subordinate who had but a short time left to attain superannuation I humbly entreat that the same

that the same merciful view may now be accorded to my case and that I may be fixed on Rs. 79/- plus Rs. 10/- P A in grade Rs 35-2-55-4-87

For which generous act I shall in duty bound, ever pray for your long life and prosperity

I beg to remain,
